

Raimat – Albariño Saira

Tasting Notes

- Appearance: Pale yellow with greenish highlights.
- Nose: Mineral aromas at the start, joined halfway by white flowers, mango, melon and grapefruit.
- Palate: Fresh, citrus sensation in mouth at first, becoming more voluminous midway and with a long and refreshing finish dominated by white flowers and melon.

Accompaniment

Ideal for Japanese and Thai dishes such as tempura and pan-fried vegetables. Also for dishes featuring white meat, fish, seafood, rice dishes, pasta and appetizers.
